

Int. Olivia's Room, Midnight

FADE IN:

The girls sit on the floor, books and other study materials surround them. They're disheveled and have obviously been studying for a while.

Marissa sets down her notebook and pen, she's given up.

Olivia is still studying and taking notes.

Olivia

No, don't stop! I have to get an A+ on this test or my dad will murder me.

Marissa

Honestly I feel like I can't breathe when I come over, your dad is like so strict and proper and stuff.

Olivia

You don't even know the half of it. So please, let's keep studying... (Reading from textbook) What's most likely to occur when a gasdermin pore forms on the water balance of the cell-

Marissa

(Interrupting) You know what? I think it's time for a little study break.

Marissa digs through her backpack, unearthing 1 bottle of vodka.

Olivia

Marissa, what the hell?!

Marissa

What?!

You're so uptight. Loosen up a little bit!

Olivia

I am not uptight! My dad will kill us!

Marissa

What he doesn't know won't hurt him. Plus, he's probably asleep
by now.

CUT TO:

Mr. Shin falling asleep by TV, ready book, sweeping and various
actions.

CUT TO:

Olivia

(silence) I dunno..

Marissa looks at Olivia like a puppy dog.

Olivia

(sighs) Fine. Fine!

Marissa

Yesss

The girls smile at each other and begin taking swigs of the
liquor straight from the bottle.
